

Implementation Working Group Meeting

Wednesday, Dec. 5, 2018, 3:00-5:00

Location: Monterey County Water Resources Agency
Cayenne Room, 1441 Schilling Place, Salinas

Purpose

- Share examples of governance, implementation, and funding structures
- Discuss implementation ideas and potentially develop a straw proposal for structure that may work for the Salinas River LTMP

3:00	Welcome and Introductions
3:05	Review Agenda and Meeting Purpose Facilitator Gina Bartlett, Consensus Building Institute
3:10	Initial Thoughts – Does the Salinas River Need a New / Revised Governance or Implementation Model / Structure? <ul style="list-style-type: none"> ○ What are the strengths and weaknesses of the current approach working in partnership across agencies, nonprofits, academic, and private landowners?
3:25	Determine Drivers, Opportunities & Constraints <ul style="list-style-type: none"> ○ Endangered Species Act compliance (HCP and permitting), Groundwater Sustainability Plans, Porter-Cologne Water Quality Control Act (Ag Waiver), climate, others?
3:40	What Are Our Options? Discuss Examples of Governance, Implementation, and Funding Structures <ul style="list-style-type: none"> ○ Share examples and lessons learned (Puget Sound, Chesapeake Bay, Sacramento River, San Joaquin River, Santa Maria River, Santa Clara River) ○ Options: local control, partner with state, state designation, other? ○ What are the implications for implementing projects? ○ What are the implications for funding / fiscal oversight?
4:10	Discuss Potential Implementation Structure(s) for Salinas River LTMP What might work for implementing the LTMP on the Salinas River?
4:40	Next Steps and Meeting Wrap Up
